

WARNING! DRY ICE

CAUTION

DO NOT TOUCH ICE WITHOUT GLOVES

Leave dry ice inside the cooler. Place the cooler outside and it will evaporate harmlessly within 24 hours. To dispose of it sooner, lift the dry ice from the cooler using protective gloves and place it outside in a closed trash container.

DO NOT...

• Put in drinks • Eat • Touch to skin, mouth or eyes • Put in air-tight containers • Use or store in areas other than those which are open and well ventilated • Use for ANY PURPOSE other than keeping gourmet food items frozen.
